

Summer Adventure Camp 2019 Activities

The following pages contain the calendar of events for Summer Adventure Camp 2019 at Little and West elementary schools.

All the field trips include free admission.

Some field trip locations have concessions or gift shops, and the children will be allowed to spend their money. Sign the Children's Money Log when dropping-off in the morning if you would like us to hold your child's money.

We are transported to each field trip by Arlington ISD buses and their certified drivers.

Below is a brief description of each field trip.

Frontiers of Flight Museum - Experience the stories of aviation and space flight on this self-guided tour – from the *Wright Flyer* to the one-of-a-kind *Flying Pancake*; the *Apollo 7* Spacecraft, 13 historical galleries, and over 35,000 artifacts. The Frontiers of Flight Museum is the perfect place to explore the history and progress of aviation. The Frontiers of Flight Museum is located near the Dallas Love Field airport. We will **not** visit the gift shop; no money is necessary on this field trip.

City of Arlington Aquatics – We go swimming many Fridays at one of three Arlington pools/aquatic centers. Each place has full concessions.

Allen Bolden - This is a large outdoor pool with a beach entrance to the shallow end and low diving board in the deep end.

Bad Konigshofen Aquatic Center - This is an outdoor aquatic center with two pools (regular and child-sized), a water fountain pad, a diving board, and two slides for intermediate swimmers.

Randol Mill Family Aquatic Center - This is an outdoor aquatic center with a slide, a lazy river, and a wet play area located in a shallow pool.

Alley Cats Entertainment - We pay for admission to play one round of bowling and a \$8 game card for video games. The children may purchase additional credits for the card with their money. Large concession area.

Your child will need to wear socks and closed-toe shoes!

Pump It Up - We pay for admission on this field trip where the children play on multiple bounce houses and slides. The children may not spend money here.

Your child will need to wear socks!

Movie Theater - We pay for admission to see *Toy Story 4* and *The Lion King* at the movie theater. Letters will be sent home two days in advance informing parents of the theater location, show time, and price of the Kids Movie Pack (price varies per theater).

You must provide the exact amount for the Kids Movie Pack, which is the only purchasable item. Change may not be available.

UTA Planetarium - This field trip is located on the UTA campus in the Chemistry and Physics building. Inside the Planetarium, the children are taken on journeys through the universe. This summer we are viewing three presentations: *Dynamic Earth*, *Ice Worlds* and *Two Small Pieces of Glass*. The children may not spend money on this field trip.

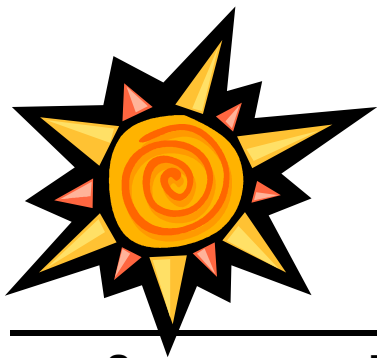

Ice Cream Tuesdays - An ice cream vendor will be at West at 1pm and Little at approximately 2pm every Tuesday throughout the summer.

All items available for purchase are **\$3**. **Your child will not receive ice cream without \$3.**

STEAM Thursdays – Every Thursday, the children will participate in a STEAM (Science, Technology, Engineering, Art, Math) program conducted by our very own STEAM Coordinator Mindy Venable. Every child is expected to participate. Little 1pm, West 3pm. We have included two STEAM sessions that will span three days as indicated on our Summer Adventure Camp 2019 calendar.

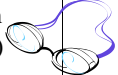

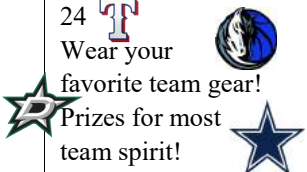

Be sure to check the calendar every day for our posted events.

Thank you for choosing Summer Adventure Camp as your child's summer fun spot destination! See you soon!
